

Production Fee Agreement

Ballet Arts Academy requires that any student wishing to participate in any performance opportunity pay an annual, non-refundable fee in the amount of \$200. This fee must be paid at the time of registration. Please choose which option you would like to select for your student. NO changes will be permitted at any point during the school year.

- I would like for my student to participate in performance opportunities at the Ballet Arts Academy.
- I would NOT like for my student to participate in performance opportunities at the Ballet Arts Academy.

If you have chosen the option for your child to participate in performance opportunities at the Ballet Arts Academy please initial the following:

- I understand that if my student does not participate in the designated rehearsals for a performance opportunity, they may be asked not to participate in the performance.
- I understand that if my student's tuition account is not current 2 weeks prior to any performance, they will not be allowed to perform regardless of payment of production fee.
- I understand that payment of this fee does not entitle any student to a particular role or part in any performance opportunity.
- I understand that a performance opportunity may only be for specific levels as determined by the Artistic Director.
